

Pure Care

Generated on 08.10.2017

Detailed description

A 9 mm thick sheet carpet manufactured with 100% solution-dyed polypropylene with Aqua-bac impervious or flat foam backing. Available in 4 m widths and is designed for use in most nursing homes, student accommodation and sheltered housing, also suitable for most general contract areas and available in ten standard colourways.

Laying:

Carpet with impervious foam backing should be bonded directly to the subfloor with F Balls F3 or Bostik Laybond carpet adhesive. Seams to be formed using a compression joint, carefully applying F30 seam sealer.
